VCA CLUB POINTS TROPHY

Each year the VCA runs a club competition where points are awarded for designated classes at particular marathon races. The last time Fairfield Canoe Club won this was in 1979, but if the results from the first two VCA marathons are anything to go by we could see our name on the trophy again for 1993.

We had a fantastic turnout at the first event at Cobram on April 25 with a total of 17 Fairfield club members attending, and at Geelong on May 16th we had 15 members racing. As a result we are currently leading the club points competition:

<u>CLUB</u>	<u>POINTS AFTER RACE ONE AND TWO</u>
Fairfield	49
Footscray	41
Sherbrooke Knox	39
Patterson Lakes	36
Shepparton	29
Cobram-Barooga	20
Echuca-Moama	20
Geelong	17
Ivanhoe	11.5

As you can see, Footscray are hot on our heels, so it is important that we continue to try to compete in as many of the designated classes as possible. A copy of the schedule of the designated classes for club points has been put up on the notice board at the clubhouse. If you are able to paddle in any of these races please write your name next to the class you will be competing in. If you are willing to be paired with another club member so that we have entries in as many classes as possible please also put your name on the notice board, or call Kerry Bonnet on 601 2915 (W) / 499 7956 (H).
