

month of August has caused too much water in the river, and this has not been in the best interests of the sport, however, we hope that another week or two will see it back nearer to normal, when boats will be able to get out much more comfortably.

Some of the canoeists made sure that they would not get caught this time with floods coming through the sheds, so they removed their canoes and cushions to the upstairs floor for safety. We trust that these canoes will soon find their way back to their proper place, when the danger is over.

Those members who attended the Annual Smoke Social I am sure, will vote it as the best held yet, and our congratulations go to the persons responsible for this excellent function. There was plenty of everything including eats, liquid refreshments, and amusement by the artists. If you missed this one, make sure of being at the next one.

Our Treasurer advises that you are overdue with the following amount:-

£.....

Please see Alan Carlton or Bob Elliott and have this matter adjusted suitably to yourself and the Club. Thanks.

And lets see you at the Club on Sunday morning.
And don't forget the dance on Saturday night at the Soldiers Hall.

ANNUAL CANOE BALL

SATURDAY, 23rd., SEPTEMBER.

at

The PALMS, Henley Lawns, Alexandra Ave.

SEPTEMBER ISSUE.

Dear Fellow Member;

The Social Committee specially invite every member to attend the next dance to be held on Saturday night, 2nd September, and it is to be held at the Soldiers Memorial Hall, Railway Place, Fairfield, right outside the station.

This is a most convenient place, quite local and handy to trains and buses, and we want to see a record attendance. The weather is just what is wanted for a dance, so how about it? Lets see you

Then again on Saturday, 30th September there will be another at the same place. Keep these dates in mind, and come along and have a good time.

And speaking of dancing, may we remind you that the Annual Canoe Ball is to be held at The Fairs, on Saturday, 23rd. Dancing is from 8-30 p.m. till 2 a.m., and the tickets are only 6/- each. There are still a few tickets available, but tickets will not be sold after the 10th inst., so if you are interested, get your tickets now. See Fred Allan, Les Stevens, or Harry de la Rue, who will be pleased to fix you up, and will also arrange for table reservations.

Let us also remind canoeists that the annual Henley will be held earlier this year, the date being 18th November. As this will be included in the Spring Carnival, it is expected to see a good number of canoes attending. Don't wait until the last minute to do your canoe up, but get busy right away.

The club crew for the Canoe Championship is expected to again win this event at Henley. Heres hoping anyway.

The Annual Meeting of the Canoe Association will be held on Tuesday, 3rd October the place will probably be the Y.M.C.A. Watch the Notice Board for further particulars. A good attendance is wanted, as it is expected that something will be brought up at this meeting about the Fours canoe.

Bob Elliott has been appointed by the Committee as Assistant Treasurer to Alan Carlton. Please give him every assistance in collecting subscriptions, which are now overdue.

And another appointment is a Press correspondent, and these duties are now to be carried out by Col. Buntington. Col hopes to keep the name of the Club well in the public eye in the future, and we wish him every success on this job.

We are able to advise all members that at last the electric lights are now all in first class working order. You can now go into the sheds without fear of darkness as the switches inside the doors will do the trick.

The set of Parallel Bars towards our gymnastic equipment is now taking shape, and will soon be ready for use by the members. All that will be wanted now will be a mat to place at the end of the bars.

The continued rain throughout this past
