#### Section 4. Parental agreement

I am happy for my child to participate in the FCC Junior Program, and I understand that should there be any issue with him/her that I will come and pick him/her up from paddling immediately.

I will try to ensure that my child has had plenty of sleep the night before each paddling session.

I agree to pay the club for all sessions my child attends.

For children under 12, parents must sign in each week before the session. Children 12 and over can sign in themselves.
